ABOUT TAYLOR TAYLOR LONDON

Taylor Taylor London is ranked alongside the best hair salons in the world.

Established in 2003 with a vision to create a new style of hairdressing we changed the face of hair salons from rather clinical, functional places to award winning interior designed havens, complete with longer appointment times, world class stylists, a free cocktail bar and a truly welcoming atmosphere.

Our international stylists and colour technicians are some of the top creative talents in the world and have been hand selected for their mix of individual style and exceptional ability. Splitting their time between editorial, commercial and catwalk assignments our specialists bring their creativity, passion and talent back into the salon where we inspire, educate and welcome each guest as an old friend.

Open the doors to one of our salons and you might just recognise the interiors from lifestyle shoots or even the odd movie. With every salon boasting a signature cocktail bar, oversized murals and decadent washrooms each interior has its own personal style and is scattered with one-off vintage finds and period pieces.

Our London salons are located in Shoreditch to the East and Portobello Road to the West while our third boutique is housed within the landmark Liberty London store on Regent Street.

Relaxed yet always glamorous, it should feel as though you have found your very own members club.

YUKO HAIR STRAIGHTENING

Created in Japan in 1996 by Yuko Yamashita the YUKO hair straightening system penetrates deep into the cortex to create a long lasting, straight, smooth and sleek result for nearly all hair types. One of just a handful of London hair salons that are trained in the specialist YUKO system we insist on a full complimentary consultation before we begin any treatments. During this session we will assess your hair type and discuss your exact treatment based on hair type, length and thickness.

Expect to be in our chair for at least 4 to 5 hours but after that the YUKO treatment means that you can genuinely just “blast and go” and achieve silky, straight hair for between 5 and 8 months.

Short - Med Hair	£395
Med - Long Hair	£450
Long – Extra Long Hair	£495

Due to the technical nature of both our Straightening and Smoothing Treatments we insist on an initial complimentary consultation to prescribe your individual treatment and calculate the final pricing. A 50% deposit will be taken before confirmation of your full appointment.
