ABOUT TAYLOR TAYLOR LONDON

Taylor Taylor London is ranked alongside the best hair salons in the world.

Established in 2003 we changed the face of hair salons from rather clinical, functional places to award winning, interior designed havens, complete with longer appointment times, world class stylists, a free cocktail bar and a truly welcoming atmosphere.

Our salons house some of the top creative talents in the world. Splitting their time between editorial, commercial and catwalk assignments our specialists bring their creativity, passion and talent back into the salon where we hope to inspire, educate and welcome each guest as an old friend.

Open the doors to one of our London salons and you might just recognise the interiors from lifestyle shoots or even the odd movie. With every salon boasting a signature cocktail bar, oversized murals and decadent washrooms each interior has its own personal style and is scattered with one-off vintage finds and period pieces.

Relaxed yet always glamorous it should feel as though you have found your very own members club.

CUTTING AND STYLING

Please allow a full hour for all of our cut and styling appointments so that we have sufficient time to understand your needs and you can relax with a drink at our complimentary bar.
